

## Catalpa Resources

▶ **Bloomberg (Kuala Lumpur)**  
**The Trade (2) - 12/05/2010 9:36 AM**  
**Compere**

Interview with Catalpa Resources MD Bruce McFadzean about the outlook for the gold mining industry. Gold price is extending its record climb. Investors are spooked by the crisis in Europe. McFadzean says higher gold prices will translate into better profits for the mining industry. He comments on the impact from Australia's proposed mineral and resource tax on the gold mining industry. He talks about the company's expansion plans.

**Interviewees:** Bruce McFadzean, MD, Catalpa Resources; Peter McGuire, MD, CWA Global Markets

**Duration:** 3.30
